TRAVEL LOG INSTRUCTIONS

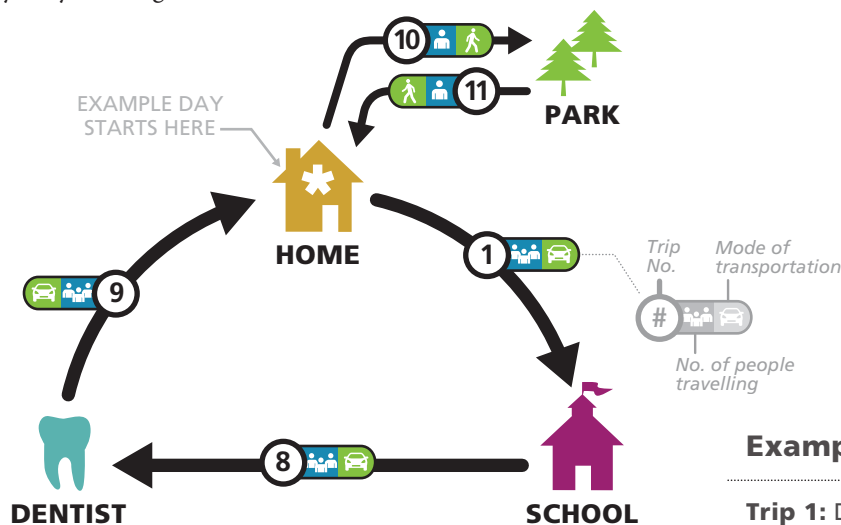

SECURE SURVEY WEBSITE: <https://mytravellog.ca> | **CALL:** 587-316-7509

WHAT TO DO: On your assigned travel day, each member of your household should take this Travel Log with them and note each trip made and the activities at each place travelled to during the day.

WHAT IS A TRIP?

- Anytime you travel more than 50 metres and stop at a new place, that equals 1 trip.
- Please include all trips, including short stops such as for gas or coffee, at an ATM, or to drop a child off at school.
- Your travel day begins at 4 a.m. on your assigned travel date and ends 24 hours later. For many people, your first trip is when you leave home in the morning.
- Please report two trips if you go out but don't make a stop (e.g. go for a jog, go on a "Sunday drive"). The place that is the farthest from where you began (e.g. the place you turned around on your jog) is your "destination."
- Travel within a building is not considered a trip.

NEXT STEP: After your travel day, have your password ready (shown on invitation letter) and call us or go on to the secure study website to log your trips and activities. Adults may need to log trips and activities for children in the household. Please respond within 10 days of your assigned travel date.
